

The CX-DSP8015 is an 8-inch ceiling speaker rated at 15 watts, combining performance with a refined appearance. Its modern design features smooth, rounded edges and a RAL white-finished carbon alloy aluminum grille, making it an ideal choice for visually cohesive interiors.

Engineered for high-quality audio output, the speaker offers a wide frequency response suitable for background music and paging applications. Built to meet IEC standards, the CX-DSP8015 ensures reliable, long-term operation. It's perfectly suited for environments such as offices, commercial retail spaces, and hospitality venues.
